- The keeping of a general church register was resolved by the American synod in Bethlehem, Oct. 1748 (Verlass, no. 11). The text on the spine identifies this register as 'vol.  It states on the first page of this register that the register was first used by Rama Moravian Church near Florenceville, Howard County, Iowa. After its dissolution in March 1887 it was sent to Br. H. Reusswig, pastor of both Elima and Hector. The book however does not have any entries relating to Rama, but pages have been cut out. Apparently the Rama pages were taken out when it was rededicated.
 Elim and Hector shared the same pastor, who recorded the actions of both congregations in one book.
